# TuffWeave

## Nylon-Reinforced Vinyl Banner

TuffWeave is an economical, frontlit 10-oz white, scrim PVC banner. It is a multipurpose banner – suitable for digital printing and adhesive-backed vinyl application. TuffWeave is designed to be both tear and curl resistant.

Furthermore, the banner features a fire resistant coating that passes the NFPA 701 fire resistant certification test. Use TuffWeave for a wide range of indoor and outdoor banner applications. TuffWeave is rated for outdoor durability up to 1 year.
